Item description

- Integration of high-temperature resistant THR terminal strips into SMT Reflow soldering processes
- Tape-and-reel packaging for automated assembly available on request
- Push-in connection of solid and fine-stranded conductors with ferrules
- Convenient termination/removal of fine-stranded conductors via push-buttons
- Versions with alternating soldering pins available for higher voltage levels
- Straight and angled versions for convenient wiring in both vertical and horizontal directions
- Pin center spacing can be maintained in a terminal strip assembly
