Particularly where space is tight, our smallest pluggable connection system, *WINSTA*® MINI, conveniently displays its advantageous properties. It saves space, and, with Push-in CAGE CLAMP® spring pressure connection technology, it additionally can be installed quickly, since the connection is low-maintenance and can be performed without screw connections.

## Lower costs through fast commissioning and elimination of service expenses – solutions from *WINSTA*® MINI

The *WINSTA*® Pluggable Connection System is perfectly tailored to the strict requirements of building installation. It makes electrical installation pluggable, and therefore more efficient, even more reliable, and error-free. Use of this pre-assembled system decreases assembly times and installation errors at the construction site. Now you can also reduce installation expenses without compromising quality and safety: The *WINSTA*® MINI accessory eliminates the need for servicing and prevents unnecessary downtime.

- easy tool-free operation, a wide range of coding options
- fast, secure installation

## Data

### Connection data

#### Connection 1

Number of poles	4
-----------------	---

### Mechanical data

Suitable	for socket
----------	------------

### Material data

Weight	1.8 g
Material	SE Cu; special tinned

### Environmental requirements

Processing temperature	-5 ... +40 °C
Continuous operating temperature	-35 ... +85 °C
Note on continuous operating temperature	Insulating parts for temperatures ≤ 105 °C

### Commercial data

PU (SPU)	50 (1) Stück
Packaging type	box
