We are always happy to take your call at +49 (571) 887-44222.

Thanks to its particularly small dimensions, our *WINSTA*® MINI Pluggable Connection System with Push-in CAGE CLAMP® spring pressure connection technology is specifically suitable in very restricted spaces, i.e., for connections when very little room is available.

## **WINSTA® MINI solutions for your electrical installation – maintenance-free**

The *WINSTA*® Pluggable Connection System allows pluggable electrical installation. This saves time, lowers costs, and reduces the need for servicing. Choose durability and quality – the *WINSTA*® MINI accessory from WAGO makes the installation of electrical components visibly easier.

- compact design for conductors with a cross-section up to 1.5 mm<sup>2</sup>
- quick replacement of defective units during ongoing operation

## **Data**

### **Connection data**

#### **Connection 1**

|                 |   |
|-----------------|---|
| Number of poles | 4 |
|-----------------|---|

### **Mechanical data**

|          |           |
|----------|-----------|
| Suitable | for plugs |
|----------|-----------|

### **Material data**

|          |                       |
|----------|-----------------------|
| Weight   | 1.8 g                 |
| Material | SE Cu; special tinned |

### **Environmental requirements**

|  |  |
|--|--|
| Processing temperature                   | -5 ... +40 °C                              |
| Continuous operating temperature         | -35 ... +85 °C                             |
| Note on continuous operating temperature | Insulating parts for temperatures ≤ 105 °C |

### **Commercial data**

|                   |               |
|-------------------|---------------|
| PU (SPU)          | 50 (1) Stück  |
| Packaging type    | box           |
| Country of origin | DE            |
| GTIN              | 4055143820400 |
