Item description

Cable assembly WINSTA® MINI 2-pole

The WINSTA® MINI cable assembly 2-pole supports fast, reliable installation. The pluggable installation connectors with spring pressure connection technology function without screw connections. They allow flexible, error-free installation in numerous applications. For greater protection in electrical installations, the pluggable installation connector is equipped with mechanical protection against mismating. Thanks to the color coding and mechanical A coding of WINSTA® MINI pluggable installation connectors, you can clearly distinguish different circuits. Particularly if only limited space is available, our smallest pluggable connection system, WINSTA® MINI, conveniently displays its strengths. It saves space, and, thanks to Push-in CAGE CLAMP® spring pressure connection technology, it also can be installed quickly, since the installation is low-maintenance and requires no screw connections. This product meets all the mandatory safety requirements of fire class E; as a result it can be used in areas where fire safety is relevant. In the production of this cable assembly, halogens were deliberately omitted. This is an important contribution to environmental protection.

Pluggable connections instead of screw connections - cable assemblies from WAGO

A plug and a free end are available. The WINSTA® Pluggable Connection System is ideally tailored to the very strict requirements of building installation. It makes electrical installation pluggable, and therefore more efficient, even more reliable, and error-free. Using this pre-assembled system decreases time spent on assembly and errors during installation at the construction site. Choose durability and quality – the *WINSTA®* MINI pluggable installation connector with protection type IP20 from WAGO makes the installation of electrical components noticeably easier.

- effective protection against mismating
- easy tool-free operation, a wide range of coding options
- with A coding for a great number of uses
- exact dimensions
- convenient installation and commissioning

Subject to changes. Please also observe the further product documentation!

Data

Notes

Note

Cables with a different fire class can be found in the eShop.

Electrical data

Note on contact resistance approx. $1 \text{ m}\Omega$ of contact resistance

approx. 0.25 $\text{m}\Omega$ contact transition plug/socket

IEC Approvals

Ratings per	IEC/EN 60664-1
Rated voltage (III / 3)	250 V
Rated impulse voltage (III/3)	4 kV
Rated current	10 A
Legend (ratings)	(III / 3) ≙ Overvoltage category III / Pollution degree 3

Ratings per UL

Note for the US market

Some versions may also be used for current interruption in accordance with the UL certificate in select applications with currents below 5 A and voltages up to 600 V. For further information, please contact your local sales office.

Connection data

Total number of potentials	2
Conductor preparation	ultrasonically tip-bonded

Connection 1

Strip length	9 mm / 0.35 inch
Number of poles	2
Sheathed cable diameter	5.9 7.5 mm
Wire cross-section	1 mm²
Strip length (outer insulation)	32 mm
Connection type	Plug - Free end

Physical data

Pin spacing	4.4 mm / 0.173 inch
Total length	1 m

Mechanical data

General mains applications
A
No
LN
LN
approx. 20 70 N (depending on pole number)
when locked: > 80N
when unlocked: approx. 20 70 N (depending on pole number)
200, without resistive load
Plug - free end
Connecting cable
H05Z1Z1-F 2x1
IP20; IP40 when mated

Plug-in connection

Mismating protection	Yes
Note on mismating protection	All WINSTA® components are 100% protected against mismating
	when:
	a.) plugging different numbers of poles
	b.) plugging while rotated 180
	c.) plugging while laterally staggered
	d.) plugging one pole
Locking lever	Can be retrofitted
Locking of plug-in connection	locking lever

Material data

Note (material data)	Information on material data can be found here
Color	black
Insulation material	Polyamide (PA66)
Fire class per EN 50575	E _{ca}
Contact material	Copper or copper alloy; surface-treated
